THE FORMAT

The Evening Zoo in the Country is a two-hour program with a different theme five days a week.

A DYNAMIC MIX

Our format combines country music, comedy, parody, and storytelling, with a high-energy, irreverent tone.

FIVE UNIQUE THEMES

Each weekday features a different theme, keeping the show fresh, entertaining, and easy for listeners to make part of their daily routine.

No politics, news, or social-media drama.

Radio That Feels Local.

BIG-TIME PRODUCTION. SMALL-TOWN SOUL.

BUILT FOR YOUR MARKET

Evening Zoo is built for small- and mid-market terrestrial radio, bringing major-market production value while preserving the personal connection of local radio. It sounds big, but it always feels local.

- Professional, high-quality production
- Tailored for small- and mid-market stations
- Entertaining, relatable, and listener-focused
- Keeps your community at the center
- The sound and value of a major market, with a local heart

LISTENER PARTICIPATION

Listeners can call in with stories, comedy ideas, requests, and dedications.
